

St. Anne School

**Technology Use Policy for:
Use of technology devices provided by students
for academic learning purposes**

Devices may include iPads, iBooks, Kindle, etc.

- Electronic devices are brought to school at the sole risk of the student and his or her parents.
- Permission for use of specific devices that support learning must be obtained from each class teacher.
- Students must follow guidelines outlined by individual teachers for the appropriate use of a device.
- Students choosing to use an electronic device outside of the specific teacher guidelines may have the item confiscated and kept in the school office until the end of the school day. Students will also lose the privilege of using the device in the school for the remainder of the term.
- Students may not access the Internet at any time from their personal devices. Other resources are available for this purpose.
- All handbook policies regarding technology remain in place.
