

St. Anne School Summer Reading

We invite students to participate in our Summer Reading Program by reading mainly "just right" books at least five days a week for eleven weeks.

At St. Anne School, our students are avid readers during the school year. Continuing to read regularly all summer helps to avoid a "summer slump" in academic skills while continuing to feed students' imaginations and to promote learning in areas of interest and passion through non-fiction.

As an incentive, we offer an invitation to a September **ice cream & books social** in the library.

In order to be invited to the party, students must turn in the following documentation of their summer reading:

- 1) their completed **title lists** and
- 2) their **totaled calendar logs** reflecting that they have read at least the minimum minutes and number of days.

Those students whose two completed documents meet the requirements will come to the party and may choose ice cream or a book as a reward.

Students who read significantly more than the minimum will be awarded an extra scoop or an extra book. Top readers in each grade level will earn a book store gift certificate.
